SECTION III – PREMIUM

SECTION IV – BENEFITS

Principal Sum. As applicable to each Insured, Principal Sum means the amount of insurance in force under the Policy on the date of the accident, as described in the Schedule.

Deductible. The applicable per accident Deductible Amounts shown in the Schedule per Covered Loss apply to each Insured sustaining a particular type of Covered Loss. For accidents where more than one Covered Loss applies, the applicable per accident Deductible Amount shown in the Schedule per Covered Loss shall be applied separately to each benefit payable under the policy.

1. **Accidental Death Benefit.** If Injury to the Insured results in death within the Incurral Period shown in the Schedule, the Company will pay the Principal Sum, subject to any applicable Deductible Amount for the Accidental Death Covered Loss shown in the Schedule. The Incurral Period starts on the date of the accident that caused such Injury.

2. **Accidental Dismemberment Benefit.**

If Injury to the Insured results in any one of the Losses specified below, within the Incurral Period shown in the Schedule (as measured from the date of the accident that caused such Injury), the Company will pay

the Percentage of the Principal Sum shown below for that Loss, subject to any applicable Deductible Amount for the Accidental Dismemberment Covered Loss shown in the Schedule.:

<u>For Loss of:</u>	<u>Percentage of Principal Sum:</u>
Both Hands or Both Feet	100%
Sight of Both Eyes	100%
One Hand and One Foot.....	100%

One Foot and the Sight of One Eye	100%
Speech and Hearing in Both Ears	100%

If more than one Loss is sustained by an Insured as a result of the same accident, only one amount, the largest, will be paid.

3. Temporary Total Disability Benefit:

If Injury to the Insured Person results in Temporary Total Disability within the Commencement Period, and if the Insured Person is under age 65 on the day the Temporary Total Disability begins, the Company will pay the Temporary Total Disability Benefit specified below, subject to satisfaction of any applicable Waiting Period. The Commencement Period starts on the date of the accident that caused such Injury.

The Temporary Total Disability Benefit with respect to each week of an Insured Person’s Temporary Total Disability during a Single Period of Total Disability is equal to the lesser of:

1. the Participation Percentage of the Insured Person's Average Weekly Earnings; or
2. the Maximum Weekly Benefit Amount.

The Temporary Total Disability Benefit shall cease on the earliest of the following dates:

1. the date the Insured Person is no longer Temporarily Totally Disabled;
2. the date the Insured Person dies;
3. the date the Insured Person attains age 65; or
4. the date the Maximum Benefit Period has been reached.

The Temporary Total Disability Benefit with respect to less than a full Benefit Week of Temporary Total Disability equals 1/7th of the weekly Covered Loss for each day of Temporary Total Disability.

As used above in this Temporary Total Disability benefit:

Average Weekly Earnings means the Insured Person's average weekly compensation earned for performing Occupational services, less any amounts withheld by or otherwise returned to the Contractee, including but not limited to taxes, overhead and fuel charges. If the Insured Person is paid wholly or in part by commissions, Average Weekly Earnings also include commissions based on an average of the commissions paid to the Insured Person for performing Occupational services during the 104 weeks immediately preceding the onset of Temporary Total Disability. If the Insured Person was not performing such services for the Contractee during

the entire 104 week period, commissions are based on an average of the total number of weeks the Insured Person was performing such services for the Contractee.

Benefit Week means a 7-day period of time that begins on the first day of Temporary Total Disability after the Waiting Period for Temporary Total Disability and on the same day of each week thereafter.

Continuous Care means weekly monitoring and/or evaluation of the disabling condition by a Physician. The Company must receive proof of continuing Temporary Total Disability on a weekly basis.

Maximum Benefit Period means, with respect to Temporary Total Disability, the maximum period for which benefits shall be payable for a Temporary Total Disability Covered Loss during a Single Period of Total Disability.

Single Period of Total Disability means all periods of Temporary Total Disability due to the same or related causes (whether or not insurance has been interrupted) except any of the following which are considered separate periods of disability: (1) successive periods of Temporary Total Disability, due to entirely different and unrelated causes, separated by at least one full day during which the Insured Person is not Temporarily Totally Disabled; (2) successive periods of Temporary Total Disability, due to the same or related causes, separated by at least 6 months during which the Insured Person is not Temporarily Totally Disabled.

Temporary Total Disability, Temporarily Totally Disabled means disability that: (1) prevents an Insured Person from performing the duties of his or her regular, primary occupation; and (2) requires that, and results in, the Insured Person receiving Continuous Care.

4. Continuous Total Disability Benefit:

If Injury to the Insured, resulting in Temporary Total Disability, subsequently results in Continuous Total Disability, the Company will pay the Continuous Total Disability Benefit specified below, provided:

- A. benefits payable for a Temporary Total Disability Covered Loss ceased solely because the Maximum Benefit Period shown in the Schedule for Temporary Total Disability has been reached, but the Insured remains disabled;
- B. the Insured is under age 65 on the day after the Maximum Benefit Period shown in the Schedule for Temporary Total Disability has been reached;
- C. the Insured has been granted a Social Security Disability Award for their disability; and
- D. their disability is reasonably expected to continue without interruption until the Insured dies.

The Continuous Total Disability Benefit with respect to each month of an Insured's Continuous Total Disability is equal to four and three-tenths (4.3) times the weekly benefit for Temporary Total Disability, less the Insured's primary Social Security Disability Award.

The Continuous Total Disability Benefit with respect to less than a full Benefit Week of Continuous Total Disability equals 1/7th of the weekly Benefit for Temporary Total Disability for each day of Continuous Total Disability.

Benefits payable under the Temporary Total Disability Benefit before the Maximum Benefit Period shown in the Schedule for Temporary Total Disability has been reached, will not be considered a Continuous Total Disability Benefit.

The Continuous Total Disability Benefit shall cease on the earliest of the following dates:

- A. the date the Insured is no longer Continuously Totally Disabled.
- B. the date the Insured dies.
- C. the date the Insured's Social Security Disability Award ceases.
- D. the date the Insured attains age 65.
- E. the date the Maximum Benefit Period shown in the Schedule for Continuous Total Disability has been reached.

As used above in this Continuous Total Disability benefit:

Benefit Week means a one-week period of time that begins on the day after the Maximum Benefit Period for Temporary Total Disability has been reached and on the same day of each week thereafter.

Continuous Care means at least monthly monitoring and/or evaluation of the disabling condition by a Physician. The Company must receive proof of continuing Continuous Total Disability on a quarterly basis.

Continuous Total Disability, Continuously Totally Disabled means disability that: (1) prevents an Insured from performing the duties of any occupation for which he or she is qualified by reason of education, training or experience; and (2) requires that, and results in, the Insured receiving Continuous Care.

Maximum Benefit Period means, with respect to Continuous Total Disability, the maximum period for which benefits shall be payable for a Continuous Total Disability Covered Loss(es).

Terms used in this Continuous Total Disability benefit, but which refer to Temporary Total Disability and are defined in the Temporary Total Disability benefit, are to be interpreted as defined in that benefit.

5. Accident Medical Expense Benefit.

If an Insured suffers an Injury that requires him or her to be treated by a Physician, within the Commencement Period, the Company will pay the Usual and Customary Charges incurred for Medically Necessary Covered Accident Medical Services received due to that Injury, up to the Maximum Benefit Amount and Maximum Benefit Period shown in the Schedule per Insured for all Injuries caused by a single accident, subject to any applicable Deductible Amount. The Commencement Period starts on the date of the accident that caused such Injury. The Deductible Amount for the Accident Medical Expense Benefit is the Deductible Amount shown in the Schedule, if any, which must be met from Usual and Customary Charges for Medically Necessary Covered Accident Medical Services incurred due to Injuries sustained by the Insured in that accident.

The Accident Medical Expense Benefit is in excess of benefits provided by other insurance. The amount otherwise payable under the Accident Medical Expense Benefit will be reduced by the total amount of medical care benefits provided by any other plan. The amount of benefits payable under other plans:

1. will be determined without reference to any coordination of benefits provisions, non-duplication of benefits provisions, or other similar provisions;
2. include any amount to which the Insured Person is entitled, regardless of whether claim is made for the benefits;
3. will include the reasonable value of any Covered Accident Medical Expense Services provided by other insurance.

Other plan means:

It does not include items commonly used by people who are not injured, even if the items can be used in the treatment of injury or can be used for rehabilitation or improvement of health (for example, a stationary bicycle or a spa).

Hospital means a facility that: (1) is operated according to law for the care and treatment of injured people; (2) has organized facilities for diagnosis and surgery on its premises or in facilities available to it on a prearranged basis; (3) has 24-hour nursing service by registered nurses (RN), on duty or on call; and (4) is supervised by one or more Physicians. A Hospital does not include: (1) a nursing, convalescent or geriatric unit of a hospital when a patient is confined mainly to receive nursing care; (2) a facility that is, other than incidentally, a rest home, nursing home, convalescent home or home for the aged; nor does it include any ward, room, wing or other section of the hospital that is used as such; or (3) any military or veterans hospital or soldiers home or any hospital contracted for or operated by any national government or government agency for the treatment of members or ex-members of the armed forces.

Sound Natural Teeth means natural teeth that either are unaltered or are fully restored to their normal function and are disease-free, have no decay and are not more susceptible to injury than unaltered natural teeth.

Usual and Customary Charge(s) means a charge that: (1) is made for a Covered Accident Medical Service; (2) does not exceed the usual level of charges for similar treatment, services or supplies in the locality where the expense is incurred (for a Hospital room and board charge, other than for a Medically Necessary stay in an intensive care unit, does not exceed the Hospital's most common charge for semi-private room and board); and (3) does not include charges that would not have been made if no insurance existed.

In addition to the Exclusions in the Exclusions section of this Description of Coverage, Usual and Customary Charges for Covered Accident Medical Services do not include, and benefits are not payable with respect to, any expense for or resulting from:

- A. repair or replacement of existing artificial limbs, artificial eyes or other prosthetic appliances or repair of existing Durable Medical Equipment unless for the purpose of modifying the item because Injury has caused further impairment in the underlying bodily condition;
- B. new, or repair or replacement of, dentures, bridges, dental implants, dental bands or braces or other dental appliances, crowns, caps, inlays or onlays, fillings or any other treatment of the teeth or gums;

- E. rental of Durable Medical Equipment where the total rental expense exceeds the usual purchase expense for similar equipment in the locality where the expense is incurred (but if, in the Company's sole judgment, Accident Medical Expense Benefits for rental of Durable Medical Equipment are expected to exceed the usual purchase expense for similar equipment in the locality where the expense is incurred, the Company may, but is not required to, choose to consider such purchase expense as a Usual and Customary Covered Accident Medical Expense Benefit in lieu of such rental expense);
- F. Custodial Services; or
- G. Personal Comfort or Convenience Item(s).

Right to Receive and Release Needed Information. The Company has the right to decide which facts it needs to administer this coverage. It may get needed facts from or give them to any other organization or person. The Company need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give the Company any facts it needs to pay the claim.

Facility of Payment and Right of Recovery. If a payment made under another Plan includes an amount that should have been paid under This Plan, the Company may pay that amount to the organization making that payment. That amount will then be treated as though it were a benefit paid under This Plan. The Company will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable cash value of the benefits provided in the form of services. If the amount of the payments made by the Company is more than it should have

paid under this benefit, it may recover the excess from the persons it has paid or for whom it has paid, insurance companies or other organizations.

Plan means any of the following group, group-type (such as, but not limited to, franchise or blanket), family or individual coverages which provide benefits or services for, or because of, health care: (1) insurance policies; (2) subscriber contracts; (3) uninsured arrangements; (4) labor-management trustee, union welfare, employer organization, or employee benefit organization plan; (5) coverage through health maintenance organizations and other prepayment, group practice and individual practice plans; (6) medical benefits coverage in automobile “no-fault” and traditional automobile “fault” type contracts; and (7) coverage under a governmental plan (including provincial plans) or coverage required or provided by law; but not including: (a) a state plan under Medicaid (Title XIX, Grants to States for Medical Assistance Programs, of the United States Social Security Act, as amended from time to time); or (b) a plan or law when, by law, its benefits are in excess of those of any private insurance plan or other non-governmental plan.

Allowable Expense means the Usual and Customary Charge for a Medically Necessary item of expense for health care when the item of expense is covered at least in part by the Policy and is covered at least in part by one or more other Plans covering the Insured. When a Plan provides benefits in the form of services, the reasonable cash value of each service rendered is both an Allowable Expense and a benefit paid, if the reasonable cash value had been charged as the cost for the service and such expense would have been covered at least in part by the Policy.

SECTION V – LIMITS OF LIABILITY

1. **Per-Insured Limit of Liability.** The Per-Insured Limit of Liability (Combined Single Limit) stated in the Schedule will be the total limit of the Company’s liability for all benefits payable under the Policy with respect to any one Insured arising out of Injury sustained by such individual as the result of any one accident.
2. **Aggregate Limit of Liability.** The Aggregate Limit of Liability stated in the Schedule will be the total limit of the Company’s liability for all benefits payable under the Policy with respect to all Insureds arising out of Injury sustained by one or more Insured(s) as the result of any one accident.

If the total of such benefits exceeds the Aggregate Limit of Liability, the Company shall not be liable to any Insured for a greater proportion of such Insured’s benefits than said Aggregate Limit of Liability bears to the total benefits afforded all such Insureds by all coverages listed in the Benefits section of this Description of Coverage.

SECTION VII – CLAIMS PROVISIONS

Notice of Claim

Written notice of claim must be given to the Company within 20 days after an Insured Person's loss, or as soon thereafter as reasonably possible. Notice given by or on behalf of the claimant to the Company at American International Companies , Accident and Health Claims Division, P.O. Box 15701, Wilmington, DE 19850-5701, with information sufficient to identify the Insured Person, is deemed notice to the Company.

Proof of Loss

Written proof of loss must be furnished to the Company within 90 days after the date of the loss. If the loss is one for which the Policy requires continuing eligibility for periodic benefit payments, subsequent written proofs of eligibility must be furnished at such intervals as the Company may reasonably require. Failure to furnish proof within the time required neither invalidates nor reduces any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the claimant, later than one year from the time proof is otherwise required.

Claim Forms

The Company will send claim forms to the claimant upon receipt of a written notice of claim. If such forms are not sent within 15 days after the giving of notice, the claimant will be deemed to have met the proof of loss requirements upon submitting, within the time fixed in the Policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made. The notice should include the Insured's name, the Contractee's name and the Policy number.

All claims are adjudicated in one claim office by experienced claims examiners.

Payment of Claims

Upon receipt of due written proof of death, payment for loss of life of an Insured Person will be made to the Insured Person's beneficiary. Upon receipt of due written proof of loss, payments for all losses, except loss of life, will be made to (or on behalf of, if applicable) the Insured Person suffering the loss. If an Insured Person dies before all payments due have been made, the amount still payable will be paid to his or her beneficiary.

If any payee is a minor or is not competent to give a valid release for the payment, the payment will be made to the legal guardian of the payee's property. If the payee has no legal guardian for his or her property, a payment not exceeding \$1,000 may be made, at the Company's option, to any relative by blood or connection by marriage of the payee, who, in the Company's opinion, has assumed the custody and support of the minor or responsibility for the incompetent person's affairs.

The Company may pay benefits directly to any Hospital or person rendering covered services, unless the Insured Person requests otherwise in writing. Such request must be made no later than the time proof of loss is filed. Any payment the Company makes in good faith fully discharges the Company's liability to the extent of the payment made.

SECTION VIII – GENERAL PROVISIONS

1. **Entire Contract; Changes.** The Policy, together with any riders, endorsements, amendments, applications, enrollment forms, and attached papers, if any, make up the entire contract between the Policyholder and the Company. In the absence of fraud, all statements made by the Policyholder or any Insured will be considered representations and not warranties. No written statement made by an Insured will be used in any contest unless a copy of the statement is furnished to the Insured or his or her beneficiary or personal representative.

No change in the Policy will be valid until approved by an officer of the Company. The approval must be noted on or attached to the Policy. No agent may change the Policy or waive any of its provisions.

2. **Incontestability.** The validity of the Policy will not be contested after it has been in force for two years from the Policy Effective Date, except as to nonpayment of premiums.

After an Insured has been insured under the Policy for two years during his lifetime, no statement made by the Insured, except a fraudulent one, will be used to contest a claim under the Policy. The Company may only contest coverage if the misstatement is made in a written instrument signed by the Insured and a copy is given to the Policyholder, the Insured or the beneficiary.

3. **Beneficiary Designation and Change.** The Insured's designated beneficiary(ies) is (are) the person(s) so named by the Insured as shown on the Contractee's records kept on the Policy.

A legally competent Insured over the age of majority may change his or her beneficiary designation at any time, unless an irrevocable designation has been made. The change may be executed, without the consent of the designated beneficiary(ies), by providing the Company or, if agreed upon in advance by the Company, the Contractee with a written request for change. When the request is received by the Company or, if agreed upon in advance by the Company, the Contractee, whether the Insured is then living or not, the change of beneficiary will relate back to and take effect as of the date of execution of the written request, but without prejudice to the Company on account of any payment which is made prior to receipt of the request.

Except with regard to the Survivor's Benefit described in the Benefits section of this Description of Coverage, if there is no designated beneficiary, or if no designated beneficiary is living after the Insured's death, the benefits will be paid, in equal shares, to the survivors in the first surviving class of those that follow: The

Insured's (1) Spouse; (2) children; (3) parents; or (4) brothers and sisters. If no class has a survivor, the beneficiary is the Insured's estate.

4. **Physical Examination and Autopsy.** The Company has the right, at its own expense, to examine the person of any Insured whose Injury is the basis of a claim, when and as often as it may be reasonably required during the pendency of the claim. In the case of a disability claim, the Company also has the right to require the Insured, at the Company's expense, to submit to an Occupational Assessment and/or a Functional Capacity Examination. The Company may also require an autopsy where it is not prohibited by law.
5. **Legal Actions.** No legal action for a claim can be brought against the Company until sixty (60) days after receipt of proof of loss. No legal action for a claim can be brought against the Company more than three years after the time for giving proof of loss.
6. **Assignment.** An Insured may not assign any of his or her rights, privileges or benefits under the Policy.
7. **Subrogation.** To the total extent the Company pays for losses incurred, the Company may assume the rights and remedies of the Insured relating to such loss. The Insured agrees to assist the Company in preserving its rights against those responsible for such loss, including but not limited to, signing subrogation forms supplied by the Company.
8. **Right to Recover Overpayments.** In addition to any rights of recovery, reimbursement or subrogation provided to the Company herein, when payments have been made by the Company with respect to a Covered Loss in an amount in excess of the maximum amount of payment necessary to satisfy an obligation under the terms of the Policy, the Company shall have the right to recover such excess payment, from any one or more of the following: Any person to whom such payments were made (*i.e.* medical providers, etc.), the Insured, any insurance company, or any other organization(s) which received, or should have received, the payment.
9. **Conditional Claim Payment.** If an Insured suffers a Covered Loss(es) as the result of Injuries for which, in the opinion of the Company, a third party may be liable, the Company will pay the amount of benefits otherwise payable under the Policy. However, if the Insured receives payment from the third party, the Insured agrees to refund to the Company the lesser of: (1) the amount actually paid by the Company for such Covered Loss(es); or (2) an amount equal to the sum actually received from the third party for such Covered Loss(es). If the Insured does not receive payment from the third party for such Covered Loss(es), the Company reserves the right to subrogate under the Subrogation clause of the Policy.

At the time such third party liability is determined and satisfied, this amount shall be paid whether determined by settlement, judgment, arbitration or otherwise. This provision shall not apply where prohibited by law.
10. **Other Insurance.** If the Insured incurs losses for which benefits are payable under more than one like policy issued by the Company or one of its affiliates, the coverage under the Policy is in excess of such other insurance, and will not contribute to such a loss with such other insurance. This condition does not apply to: (1) the Accident Medical Expense benefit described in the Benefits section of this Description of Coverage; or (2) other insurance which the Insured has procured to apply in excess of the coverage under the Policy.
11. **Non-Duplication of Workers' Compensation Benefits.** No benefits shall be payable under the Policy for any loss for which the Insured claims coverage under any workers' compensation, employer's liability, occupational disease or similar law. The Company reserves the right to recover, from the Insured, any benefits paid under the Policy which are subsequently claimed under any workers' compensation, employer liability, occupational disease or similar law.

Policy Effective and Termination Dates

Policy Effective Date. This Policy begins on the Policy Effective Date shown in the Master Application at 12:01 A.M. Standard Time at the address of the Policyholder where this Policy is delivered.

Policy Termination Date. This Policy may, at any time, be terminated by mutual written consent of the Company and the Policyholder. Otherwise, this Policy will terminate at 12:01 A.M. Standard Time at the Policyholder's address on the earliest of:

1. the Policy Termination Date shown in the Master Application, unless renewed;
2. the premium due date if premiums are not paid when due subject to the Grace Period;

4. the date specified in the written notice of the Policyholder's intent to terminate this Policy, which will be at least 31 days after the date the Policyholder sends such notice to the Company.

If the Company terminates this Policy, any unearned premium will be returned on a pro-rata basis. If the Policyholder requests termination, the Company will return any unearned premium paid on a short-rate basis. Termination will not affect any claim for a Covered Loss occurring prior to the effective date of termination.

Insured's Effective and Termination Dates

Insured's Effective Date. An Insured's coverage under this Policy begins on the latest of:

1. the Policy Effective Date;
2. the date the person becomes a member of an eligible class of persons as described in the Description of Eligible Persons section of the Master Application;
3. if individual enrollment is required, the date written enrollment is received by the Policyholder;
4. the date on which the first premium payment is paid when due.

However, a change in coverage applies only with respect to accidents that occur after the change becomes effective.

Termination of coverage will not affect a claim for a Covered Loss that occurs either before or after such termination if that loss results from an accident that occurred while the Insured's coverage was in force under this Policy.

SECTION III

PREMIUM

Premiums. Premiums are payable to the Company at the rates and in the manner described in the Premiums section of the Master Application. The Company may change the required premiums due on any Policy anniversary date, as measured annually from the Policy Effective Date, by giving the Policyholder at least 31 days advance written notice. The Company may also change the required premiums at any time when any change affecting premiums is made in this Policy.

Insured's Premium. The Premium Rate for coverage under this Policy for each Insured is shown in the Schedule.

Grace Period. A Grace Period of 31 days will be provided for the payment of any premium due after the first premium. This Policy will not be terminated for nonpayment of premium during the Grace Period if the Policyholder pays all premiums due by the last day of the Grace Period. This Policy will terminate on the last day of the period for which all premiums have been paid if all premiums due are not paid by the last day of the Grace Period.

If the Company expressly agrees to accept late payment of a premium without terminating this Policy, the Company does so in accordance with the Noncompliance With Policy Requirements provision in Section VIII of this Policy. In such case, the Policyholder will be liable to the Company for any unpaid premiums for the time this Policy is in force, plus all costs and expenses (including, but not limited to, reasonable attorney fees, collection fees and court costs) incurred by the Company in the collection of all overdue amounts.

No Grace Period will be provided if the Company receives notice to terminate this Policy prior to a premium due date.

SECTION IV

BENEFITS

Principal Sum. As applicable to each Insured, Principal Sum means the amount of insurance in force under this Policy on the date of the accident, as described in the Schedule.

Deductible. The applicable per accident Deductible Amounts shown in the Schedule per Covered Loss apply to each Insured sustaining a particular type of Covered Loss. For accidents where more than one Covered Loss applies, the applicable per accident Deductible Amount shown in the Schedule per Covered Loss shall be applied separately to each benefit payable under this Policy.

Accidental Death Benefit

If Injury to the Insured results in death within the Incurral Period shown in the Schedule, the Company will pay the Principal Sum, subject to any applicable Deductible Amount for the Accidental Death Covered Loss shown in the Schedule. The Incurral Period starts on the date of the accident that caused such Injury.

Accidental Dismemberment Benefit

If Injury to the Insured results in any one of the Losses specified below, within the Incurral Period shown in the Schedule (as measured from the date of the accident that caused such Injury), the Company will pay the Percentage of the Principal Sum shown below for that Loss, subject to any applicable Deductible Amount for the Accidental Dismemberment Covered Loss shown in the Schedule.

<u>For Loss of:</u>	<u>Percentage of the Principal Sum:</u>

If more than one Loss is sustained by an Insured as a result of the same accident, only one amount, the largest, will be paid.

Temporary Total Disability Benefit

If Injury to the Insured results in Temporary Total Disability within the Commencement Period shown in the Schedule, and if the Insured is under age 65 on the day the Temporary Total Disability begins, the Company will pay the Temporary Total Disability Benefit specified below, subject to satisfaction of any applicable Waiting Period shown in the Schedule. The Commencement Period starts on the date of the accident that caused such Injury.

The Temporary Total Disability Benefit with respect to each week of an Insured's Temporary Total Disability during a Single Period of Total Disability is equal to the lesser of:

1. the Participation Percentage (as shown in the Schedule) of the Insured's Average Weekly Earnings; or
2. the Maximum Weekly Benefit Amount shown in the Schedule.

The Temporary Total Disability Benefit shall cease on the earliest of the following dates:

1. the date the Insured is no longer Temporarily Totally Disabled;
2. the date the Insured dies;

Average Weekly Earnings means the Insured's average weekly compensation earned for performing Occupational services less any amounts withheld by or otherwise returned to the Contractee, including but not limited to taxes, overhead and fuel charges. If the Insured is paid wholly or in part by commissions, Average Weekly Earnings also include commissions based on an average of the commissions paid to the Insured for performing Occupational services during the 104 weeks immediately preceding the onset of Temporary Total Disability. If the Insured was not performing such services for the Contractee during the entire 104 week period, commissions are based on an average of the total number of weeks the Insured was performing such services for the Contractee.

Benefit Week means a 7-day period of time that begins on the first day of Temporary Total Disability after the Waiting Period shown in the Schedule for Temporary Total Disability and on the same day of each week thereafter.

Continuous Care means weekly monitoring and/or evaluation of the disabling condition by a Physician. The Company must receive proof of continuing Temporary Total Disability on a weekly basis.

The length of the Maximum Benefit Period for Temporary Total Disability is shown in the Schedule.

Temporary Total Disability, Temporarily Totally Disabled means disability that: (1) prevents an Insured from performing the duties of his or her regular, primary occupation; and (2) requires that, and results in, the Insured receiving Continuous Care.

Continuous Total Disability Benefit

If Injury to the Insured, resulting in Temporary Total Disability, subsequently results in Continuous Total Disability, the Company will pay the Continuous Total Disability Benefit specified below, provided:

1. benefits payable for a Temporary Total Disability Covered Loss ceased solely because the Maximum Benefit Period shown in the Schedule for Temporary Total Disability has been reached, but the Insured remains disabled;
2. the Insured is under age 65 on the day after the Maximum Benefit Period shown in the Schedule for Temporary Total Disability has been reached;
3. the Insured has been granted a Social Security Disability Award for their disability; and
4. their disability is reasonably expected to continue without interruption until the Insured dies.

The Continuous Total Disability Benefit with respect to each month of an Insured's Continuous Total Disability is equal to four and three-tenths (4.3) times the weekly benefit for Temporary Total Disability, less the Insured's primary Social Security Disability Award.

The Continuous Total Disability Benefit with respect to less than a full Benefit Week of Continuous Total Disability equals 1/7th of the weekly Benefit for Temporary Total Disability for each day of Continuous Total Disability.

Benefits payable under the Temporary Total Disability Benefit before the Maximum Benefit Period shown in the Schedule for Temporary Total Disability has been reached, will not be considered a Continuous Total Disability Benefit.

The Continuous Total Disability Benefit shall cease on the earliest of the following dates:

1. the date the Insured is no longer Continuously Totally Disabled.
2. the date the Insured dies.
3. the date the Insured's Social Security Disability Award ceases.
4. the date the Insured attains age 65.
5. the date the Maximum Benefit Period shown in the Schedule for Continuous Total Disability has been reached.

As used above in this Continuous Total Disability benefit:

Benefit Week means a one-week period of time that begins on the day after the Maximum Benefit Period for Temporary Total Disability has been reached and on the same day of each week thereafter.

Continuous Care means at least monthly monitoring and/or evaluation of the disabling condition by a Physician. The Company must receive proof of continuing Continuous Total Disability on a quarterly basis.

Continuous Total Disability, Continuously Totally Disabled means disability that: (1) prevents an Insured from performing the duties of any occupation for which he or she is qualified by reason of education, training or experience; and (2) requires that, and results in, the Insured receiving Continuous Care.

Maximum Benefit Period means, with respect to Continuous Total Disability, the maximum period for which benefits shall be payable for a Continuous Total Disability Covered Loss(es). The length of the Maximum Benefit Period for Continuous Total Disability is shown in the Schedule.

Terms used in this Continuous Total Disability benefit, but which refer to Temporary Total Disability and are defined in the Temporary Total Disability benefit, are to be interpreted as defined in that benefit.

Accident Medical Expense Benefit

If an Insured suffers an Injury that requires him or her to be treated by a Physician, within the Commencement Period shown in the Schedule, the Company will pay the Usual and Customary Charges incurred for Medically Necessary Covered Accident Medical Services received due to that Injury, up to the Maximum Benefit Amount and Maximum Benefit Period shown in the Schedule per Insured for all Injuries caused by a single accident, subject to any applicable Deductible Amount. The Commencement Period starts on the date of the accident that caused such Injury. The Deductible Amount for the Accident Medical Expense Benefit is the Deductible Amount shown in the Schedule, if any, which must be met from Usual and Customary Charges for Medically Necessary Covered Accident Medical Services incurred due to Injuries sustained by the Insured in that accident.

The length of the Maximum Benefit Period for Accident Medical Expense is shown in the Schedule.

Medically Necessary means that a Covered Accident Medical Service: (1) is essential for diagnosis, treatment or care of the Occupational Injury for which it is prescribed or performed; (2) meets generally accepted standards of medical practice; and (3) is ordered by a Physician and performed under his or her care, supervision or order.

Personal Comfort or Convenience Item(s) means those items that are not Medically Necessary for the care and treatment of the Insured's Occupational Injury. In addition to the Exclusions in Section VI of this Policy, Usual and Customary Charges for Covered Accident Medical Services do not include, and benefits are not payable with respect to, any expense for or resulting from:

1. repair or replacement of existing artificial limbs, artificial eyes or other prosthetic appliances or repair of existing Durable Medical Equipment unless for the purpose of modifying the item because Injury has caused further impairment in the underlying bodily condition;

4. new hearing aids or hearing examinations unless Injury has caused impairment of hearing; or repair or replacement of existing hearing aids unless for the purpose of modifying the item because Injury has caused further impairment of hearing;
5. rental of Durable Medical Equipment where the total rental expense exceeds the usual purchase expense for similar equipment in the locality where the expense is incurred (but if, in the Company's sole judgment, Accident Medical Expense Benefits for rental of Durable Medical Equipment are expected to exceed the

usual purchase expense for similar equipment in the locality where the expense is incurred, the Company may, but is not required to, choose to consider such purchase expense as a Usual and Customary Covered Accident Medical Expense Benefit in lieu of such rental expense);

SECTION VII

CLAIMS PROVISION

Notice of Claim. Written notice of claim must be given to the Company within 20 days after an Insured's loss, or as soon thereafter as reasonably possible. Notice given by or on behalf of the claimant to the Company at American International Companies , Accident and Health Claims Division, P. O. Box 15701, Wilmington, DE 19850-5701, with information sufficient to identify the Insured, is deemed notice to the Company.

Claim Forms. The Company will send claim forms to the claimant upon receipt of a written notice of claim. If such forms are not sent within 15 days after the giving of notice, the claimant will be deemed to have met the proof of loss requirements upon submitting, within the time fixed in this Policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made. The notice should include the Insured's name, the Policyholder's name and the Policy number.

Proof of Loss. Written proof of loss must be furnished to the Company within 90 days after the date of the loss. If the loss is one for which this Policy requires continuing eligibility for periodic benefit payments, subsequent written proofs of eligibility must be furnished at such intervals as the Company may reasonably require. Failure to furnish proof within the time required neither invalidates nor reduces any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the claimant, later than one year from the time proof is otherwise required.

Payment of Claims. Upon receipt of due written proof of death, payment for loss of life of an Insured will be made to the Insured's beneficiary as described in the Beneficiary Designation and Change provision of the General Provisions section. Upon receipt of due written proof of loss, payments for all losses, except loss of life, will be made to (or on behalf of, if applicable) the Insured suffering the loss. If an Insured dies before all payments due have been made, the amount still payable will be paid to his or her beneficiary as described in the Beneficiary Designation and Change provision of the General Provisions section.

If any payee is a minor or is not competent to give a valid release for the payment, the payment will be made to the legal guardian of the payee's property. If the payee has no legal guardian for his or her property, a payment not exceeding \$1,000 may be made, at the Company's option, to any relative by blood or connection by marriage of the payee, who, in the Company's opinion, has assumed the custody and support of the minor or responsibility for the incompetent person's affairs.

The Company may pay benefits directly to any Hospital or person rendering covered services, unless the Insured requests otherwise in writing. Such request must be made no later than the time proof of loss is filed. Any payment the Company makes in good faith fully discharges the Company's liability to the extent of the payment made.

Time of Payment of Claims. Benefits payable under this Policy for any loss other than loss for which this Policy provides any periodic payment will be paid immediately upon the Company's receipt of due written proof of the loss. Subject to the Company's receipt of due written proof of loss, all accrued benefits for loss for which this Policy provides periodic payment will be paid at the expiration of each month during the continuance of the period for which the Company is liable and any balance remaining unpaid upon termination of liability will be paid immediately upon receipt of such proof.

Commutation of Losses. It is agreed that, at the Company's option, at any time later than two years from the date of any accident resulting in a claim under this Policy, the Company may advise the Insured of its desire to be released from liability with respect to any such claim. In that event, the Company will appoint an actuary or appraiser to investigate, determine and capitalize such claim, and the payment by the Company of the capitalized value of such claim will constitute a complete and final release of the Company with respect to such claim.

Sunset. No claim made for losses sustained by Insureds will be considered valid and collectible in accordance with this Policy unless full details of such claim are presented to the Company within three years from the date of the accident which is the basis of such claim.

SECTION VIII

GENERAL PROVISION

Entire Contract; Changes. This Policy, together with any riders, endorsements, amendments, applications, enrollment forms, and attached papers, if any, make up the entire contract between the Policyholder and the Company. In the absence of fraud, all statements made by the Policyholder or any Insured will be considered representations and not warranties. No written statement made by an Insured will be used in any contest unless a copy of the statement is furnished to the Insured or his or her beneficiary or personal representative.

No change in this Policy will be valid until approved by an officer of the Company. The approval must be noted on or attached to this Policy. No agent may change this Policy or waive any of its provisions.

Incontestability. The validity of this Policy will not be contested after it has been in force for two year(s) from the Policy Effective Date, except as to nonpayment of premiums.

After an Insured has been insured under this Policy for two year(s) during his lifetime, no statement made by the Insured, except a fraudulent one, will be used to contest a claim under this Policy. The Company may only contest coverage if the misstatement is made in a written instrument signed by the Insured and a copy is given to the Policyholder, the Insured or the beneficiary.

Beneficiary Designation and Change. The Insured's designated beneficiary(ies) is (are) the person(s) so named by the Insured as shown on the Contractee's records kept on this Policy.

A legally competent Insured over the age of majority may change his or her beneficiary designation at any time, unless an irrevocable designation has been made. The change may be executed, without the consent of the designated beneficiary(ies), by providing the Company or, if agreed upon in advance by the Company, the Contractee with a written request for change. When the request is received by the Company or, if agreed upon in advance by the Company, the Contractee, whether the Insured is then living or not, the change of beneficiary will relate back to and take effect as of the date of execution of the written request, but without prejudice to the Company on account of any payment which is made prior to receipt of the request.

Except with regard to the Survivor's Benefit described in Section IV of this Policy, if applicable, in the event that there is no designated beneficiary, or if no designated beneficiary is living after the Insured's death, the benefits will be paid, in equal shares, to the survivors in the first surviving class of those that follow: The Insured's: (1) Spouse; (2) children; (3) parents; or (4) brothers and sisters. If no class has a survivor, the beneficiary is the Insured's estate.

Physical Examination and Autopsy. The Company has the right, at its own expense, to examine the person of any Insured whose Injury is the basis of a claim, when and as often as it may be reasonably required during the pendency of the claim. In the case of a disability claim, the Company also has the right to require the Insured, at the Company's expense, to submit to an Occupational Assessment and/or a Functional Capacity Examination. -The Company may also require an autopsy where it is not prohibited by law.

Legal Actions. No legal action for a claim can be brought against the Company until 60 days after receipt of proof of loss. No legal action for a claim can be brought against the Company more than three years after the time for giving proof of loss.

Noncompliance With Policy Requirements. Any express waiver by the Company of any requirements of this Policy will not constitute a continuing waiver of such requirements. Any failure by the Company to insist upon compliance with any Policy provision will not operate as a waiver or amendment of that provision.

Conformity With State Statutes. Any provision of this Policy which, on its effective date, is in conflict with the statutes of the state in which the Policy was delivered, is hereby amended to conform to the minimum requirements of such laws.

Clerical Error. Clerical error, whether by the Policyholder, the Contractee, the Administrator, or the Company in keeping records pertaining to this Policy, will not: (1) invalidate coverage otherwise validly in force, or (2) continue coverage otherwise validly terminated.

Data Required. The Policyholder and the Administrator must maintain adequate records acceptable to the Company and provide any information required by the Company relating to this insurance.

Audit. The Company will have the right to inspect and audit, at any reasonable time, all records and procedures of the Policyholder, the Contractee, and the Administrator that may have a bearing on this insurance.

Assignment. This Policy is non-assignable. An Insured may not assign any of his or her rights, privileges or benefits under the Policy.

Subrogation. To the total extent the Company pays for losses incurred, the Company may assume the rights and remedies of the Insured relating to such loss. The Insured agrees to assist the Company in preserving its rights against those responsible for such loss, including but not limited to, signing subrogation forms supplied by the Company.

Right to Recover Overpayments. In addition to any rights of recovery, reimbursement or subrogation provided to the Company herein, when payments have been made by the Company with respect to a Covered Loss in an amount in excess of the maximum amount of payment necessary to satisfy an obligation under the terms of this Policy, the Company shall have the right to recover such excess payment, from any one or more of the following: Any person to whom such payments were made (*i.e.* medical providers, etc.), the Insured, any insurance company, or any other organization(s) which received, or should have received, the payment.

Conditional Claim Payment. If an Insured suffers a Covered Loss(es) as the result of Injuries for which, in the opinion of the Company, a third party may be liable, the Company will pay the amount of benefits otherwise payable under this Policy. However, if the Insured receives payment from the third party, the Insured agrees to refund to the Company the lesser of: (1) the amount actually paid by the Company for such Covered Loss(es); or (2) an amount equal to the sum actually received from the third party for such Covered Loss(es). If the Insured does not receive payment from the third party for such Covered Loss(es), the Company reserves the right to subrogate under the Subrogation clause of this Policy.

At the time such third party liability is determined and satisfied, this amount shall be paid whether determined by settlement, judgment, arbitration or otherwise. This provision shall not apply where prohibited by law.

Other Insurance. If the Insured incurs losses for which benefits are payable under more than one like policy issued by the Company or one of its affiliates, the coverage under this Policy is in excess of such other insurance, and will not contribute to such a loss with such other insurance. This condition does not apply to: (1) the Accident Medical Expense benefit described in Section IV of this Policy; or (2) other insurance which the Insured has procured to apply in excess of the coverage under this Policy.

Plan and Exposure Changes. The Policyholder must notify the Company of any subsidiary or affiliated company that is to be covered under this Policy. Such notice must be sent within 30 days of the acquisition of such subsidiary or affiliated company. If such notice is not provided, the newly acquired entity will not be considered a part of the Policyholder or a covered affiliate or subsidiary, and the Insureds from the newly acquired entity will not be considered as Insureds of the Policyholder or a covered affiliate or subsidiary for Policy purposes, until the date that notice is provided. The Company has the right to adjust premium based on the changing exposure.

Non-Duplication of Workers' Compensation Benefits. No benefits shall be payable under this Policy for any loss for which the Insured claims coverage under any workers' compensation, employers' liability,

occupational disease or similar law. The Company reserves the right to recover, from the Insured, any benefits paid under this Policy which are subsequently claimed under any workers' compensation, employers' liability, occupational disease or similar law.

A grace period of 31 days is allowed for payment of each monthly premium due after the first month unless this Policy is canceled on or before the first day of the month. The Policy will continue in force during this grace period. If premium is not paid by the end of the grace period, coverage terminates at the end of the month for which premium was paid.

The premiums determined above are 100% earned. Should this policy be canceled by either You or Us for any reason, all premiums are fully earned and no return premium will be due.

The premium is determined by applying the monthly rate per person to the number of Covered Persons.

We have the right to change the rates at which future premiums will be calculated on the first day of any month. We will notify You of any change at least 30 days before the premium due date on which the new rates are to be effective.

Premium Audit: We will compute all premiums for this Policy in accordance with Our rules and rates.

Premium shown in this Policy as advance premium is a deposit premium only. At the close of each audit period, We will compute the earned premium for that period. IMPORTANT NOTICE TO OUR CUSTOMERS REGARDING THE OFFICE OF FOREIGN ASSETS CONTROL

Your rights as a policyholder and payments to you, any insured, additional insured, loss payee, mortgagee, or claimant, for loss under this policy may be affected by the administration and enforcement of U.S. economic embargoes and trade sanctions by the OFFICE OF FOREIGN ASSETS CONTROL ("OFAC").

WHAT IS OFAC?

OFAC is an office of the Department of the Treasury and acts under presidential wartime and national emergency powers, as well as authority granted by specific legislation, to impose controls on transactions and freeze foreign assets under U.S. jurisdiction. OFAC administers and enforces economic embargoes and trade sanctions primarily against:

- Targeted foreign countries and their agents
- Terrorism sponsoring agencies and organizations
- International narcotics traffickers

PROHIBITED ACTIVITY

- OFAC enforces certain embargoes and sanctions against certain designated countries. No U.S. business or person may enter into certain transactions in or connected to such designated "sanctioned" countries.
- OFAC maintains a directory known as the "Specially Designated Nationals and Blocked Persons" ("SDNBP") list. No U.S. business or person may transact business with any person or entity named on the SDNBP list.

Additional and more in-depth information on OFAC is available at the following website:
<http://www.ustreas.gov/offices/eotffc/ofac>.

OBLIGATIONS PLACED ON US BY OFAC

If we determine that you or any insured, additional insured, loss payee, mortgagee, or claimant are on the SDNBP list or are connected to a sanctioned country as described in the regulations enforced by OFAC, we must block or "freeze" property and payment of any funds transfers or transactions and report all blocks to OFAC within ten (10) days.

POTENTIAL ACTIONS BY US

1. We may immediately cancel your coverage effective on the day that we determine that we have transacted business with an individual or entity associated with your policy on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC.
2. If we cancel your coverage, you will not receive a return premium unless approved by OFAC. All funds will be placed in an interest bearing blocked account established on the books of a U.S. financial institution.
3. We will not pay a claim, accept premium or exchange monies or assets of any kind to or with individuals, entities or companies (including a bank) on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC. And, we will not defend or provide any other benefits under your policy to individuals, entities or companies on the SDNBP list or connected to a sanctioned country as described in the regulations enforced by OFAC.

YOUR RIGHTS AS A POLICYHOLDER

If funds are blocked or frozen by us in conjunction with the OFFICE OF FOREIGN ASSETS CONTROL, you may complete an "APPLICATION FOR THE RELEASE OF BLOCKED FUNDS" and apply for a specific license to request their release. Forms are available for download at the OFAC website. See <http://www.ustreas.gov/offices/eotffc/ofac/legal/forms/license.pdf>
